ACADEMIC QUALIFICATION

- B.Sc. in Computer Science and Engineering from Daffodil International University in April 2015 to September 2019 with CGPA **3.36** out of 4.00.
- HSC in Science from College of Development Alternative (CODA), Dhaka in **2013** with GPA **5.00** out of 5.00.
- SSC in Science from Mithapukur High School, Rangpur in **2011** with GPA **4.56** out of 5.00.

VOLUNTEER EXPERIENCE

- **Student Prefect** (Jan 2018 – Jun 2019)
 - I was a student prefect for a long time and I have taught various subjects like networking, algorithm and OOP. The appointment to the position of student prefect is an honor accorded to a student by the university. The main responsibility is to assist the teacher in the lab and help other students in the class to understand the task.
- **Blood Donor Club**
 - I was an active member of the Daffodil International University Blood Donor Club (DIUBDC).
- **Chess Club**
 - I was an active member of the DIU Chess Club and participated in some chess tournament.

SOFT SKILLS

- Problem solving
- Communication
- Teamwork
- Training and Teaching

INTERST AND HOBBIES

- Reading
- Chess
- History enthusiast
- Watching sports
